

FISCAL NOTE

SB 931 - HB 1189

April 9, 1997

SUMMARY OF BILL: Defines "strip annexation", prohibits its use, and provides that no municipality shall enact two or more annexations in a 60-month period that produce a cumulative effect that would have been prohibited by law if adopted as a single ordinance.

ESTIMATED FISCAL IMPACT:

Forgo Local Govt. Revenues - Exceeds \$100,000 / Permissive

Local Govt. Expenditures - Cost Avoidance / Exceeds \$100,000 / Permissive

Assumes that, to the extent that strip annexations, as defined by the bill, and/or other annexations prohibited by the bill do not take place that would have taken place in the absence of the bill, local governments would experience both forgone revenues and avoided costs.
